

FISCAL NOTE

SB 3127 - HB 3192

February 23, 2004

SUMMARY OF BILL: Changes the date of renewal for licenses and permits for ambulances or emergency service vehicles from December 31 to June 30. Licenses and permits issued in 2004 would expire on June 30, 2005. Requires individual ambulance aircraft to be permitted. Removes a provision that limits to \$25 the reinstatement fee the Emergency Management Services Board may charge for the renewal of an expired EMS certification.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Increase State Revenues - Not Significant

The bill delays collection of license fees from December 31, 2004 to June 30, 2005. The Department of Health will incur some costs for computer changes but the amount is estimated to be not significant. Assumes the department will receive an increase in reinstatement fees if such fees are increased by the board.
